THE TIGER'S TALE

Sherry, like you said in my annual, "I couldn't have made it without you." I can't believe we're both happy at the same time. It's about time. You've really helped me alot with some major problems (you know what I mean!) And always told me things would get better & I would find a guy & be happy. You're very special to me & when you graduate you better keep in touch especially when you & Richard get married. I'm glad that we're both got such terrific guys that treat us wonderful (well sometimes) I hope we'll always stay together.

Goodbye is not an ending
when you know that people care.
For miles may come between you,
but warm thoughts are always there . . .
"Goodbye" is not an ending
But a different start for you,
A time for making brand-new friends
and seeing dreams come true . . .
"Goodbye" is not an ending,
for you'll find along life's way,
Within your heart you'll always have
a part of yesterday.

Spirit, determination, and pride carried the L.H.S. cheerleaders through one full week of success at the University of Dallas where they attended D.C.A. camp and received top honors in all areas. They were awarded blue ribbons in spirit, squad unity, jumps, stunts and mounts, and supersquad. Our cheerleaders carried Tiger Pride as their theme the whole year. Wise Energy Management For Today . . . And Tomorrow

Electricity is the everyday magician, working 'round the clock to help make our lives easier. But it takes energy, not magic, to generate electricity. If we manage our energy wisely today, we can meet our need for electricity tomorrow. Here's some ways you can save energy at home. Turn off lights and appliances like stereos or T.V.'s when not in use. Set the thermostat at 68° in winter, 78° in summer. The energy you save makes the future brighter for everyone.

Have a great time Being A Senior. We'll miss ya.

Sherry,
There seems to be a problem. We were both getting out of school and will probably never be seeing each other again. We've been such close friends these last couple of school years. Thank God we both find some good guys who will keep us straight in line and of course happy. I'll miss being around you when we're out of school. I sure hope we stay friends forever. We've been thru alot together and shared problems together. Good luck with your future with Richard. I hope every good thing comes to you. (and have a bunch of kids.) Of course I'll miss you very much. May God bless you with good fortunes.
forever friends

me last year. Now, this year
we haven't talked much. Maybe

get together and just talk! Thanks.

Love ya!
Sandra

Sherry,
You know (you better) how much your friendship has always meant to me. You've always accepted me as me and not tried to make me sane. You're a Super-Great, Super-Sweet Buddy of mine, and I'm going to miss you like anything next year, but at least we'll still get these year to make some more memories.
And make sure
I'm in the wedding!
Always remember me - I'll never forget you. Stay sweet and crazy. God Bless Ya!
